Terms and Conditions

I hereby request enrollment in the coverage indicated on this enrollment form.

I authorize (1) payroll deduction(s) and remittance of any required contribution for my coverage to the plan sponsor of my group health plan; (2) these deductions to be taken on a pre-tax basis if allowable by law; (3) release of information, without limitation, from any medical/medically-related facility, prior health carrier, the Medical Information Bureau (MIB), government agency or person to Medical Mutual Services (Medical Mutual): (a) to evaluate this enrollment form; (b) to adjudicate claims submitted on behalf of me or my dependents; (c) for utilization review programs to monitor health services or quality improvement activities; and/or (d) for credentialing purposes. I authorize Medical Mutual and/or the sponsor of my group health plan to provide a photocopy of this release to any physician or medical institution to obtain records for the purposes stated above. This authorization will be valid for a period of 2.5 years for the purpose of collecting information regarding this enrollment form.

My dependents and I understand and agree that any information obtained will not be released by Medical Mutual and/or sponsor of my group health plan to any person or organization, except to reinsuring companies, the MIB, or other persons or organizations performing health care operations or business or legal services in connection with any enrollment form, claim, or as may be otherwise lawfully required, or as we may further authorize. If a Consumer Reporting Agency is used, I (we) may request to be interviewed in connection with the preparation of the report. Once personal and health information is disclosed pursuant to this authorization, it may be re-disclosed by the recipient, and the information may not be protected by federal and state privacy requirements. A copy of this authorization request is available to me or my legal representative upon written request. A photographic copy of this authorization shall be as valid as the original. This authorization shall be valid for a period of two and one-half years. I have the right to revoke this authorization at any time. My revocation must be in writing. The revocation will not apply to information that has already been released in response to this authorization. The revocation may adversely affect my enrollment or claim.

I understand and acknowledge that this authorization extends to all medical records, including records that may contain information regarding treatment for physical and mental illness, alcohol/drug abuse and/or HIV - AIDS test results or diagnosis. I expressly consent to the release of such information.

Signature

I read all of the statements contained in this enrollment form and declare by signing this enrollment form that I am an active, eligible, compensated, employee of the group and that the information that I provided is true and complete to the best of my knowledge. I understand that if allowable by law, employee contributions will be taken on a pre-tax basis and this will continue as long as I am enrolled unless I communicate to the plan sponsor, in writing, of my desire to pay my share of the cost on a post-tax basis.

If you are declining enrollment for yourself or your dependents (including your spouse) because of other insurance coverage, you may be able to enroll yourself or your dependents in this plan if: (1) you or your dependents lose eligibility for that other coverage or reach the plan's lifetime benefit maximum; or (2) the employer stops contributing towards you or your dependents' other coverage. However, you must request enrollment within 31 days after the applicable event occurs (other coverage ends, lifetime maximum is met, or employer's contribution ends). If you or your dependent either become eligible for premium assistance, or lose eligibility for coverage under the State Children's Health Insurance Program (SCHIP), you will also be able to enroll in this plan. However you must request enrollment within 60 days after such an event. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you will be able to enroll yourself and your dependents, provided that you request enrollment within 31 days after the marriage, birth, adoption or placement for adoption.

C. If I am eligible for a cash payment due to my decision to waive coverage for myself and dependents (if applicable), I understand that I must show proof that I am enrolled in a health and prescription drug program offered by another employer which is considered a "group" plan.

WARNING: If you or your family members are covered by more than one healthcare plan, you may not be able to collect benefits from both plans. Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.
