## OUR MISSION

The **Lake County Academy's** mission is to provide students with positive social and academic life skills.

## OUR VALUES

- Be Respectful and Kind
- Be Responsible
- Be Honest and Trustworthy
- Learning is Essential
- Live in the Present
- Safe and Drug-Free School

## CELEBRATING SUCCESS

*Positive academic behavior earns TLA students a monthly celebration we call "Goal Trip". These students went bowling!*

*TLA Band Members*

*TLA Students enjoy friendly Advisory Group competitions such as "pumpkin candy corn hole".*

## ABOUT OUR PROGRAM

The Lake Academy (TLA) was established to assist students in grades 7-12 who have not achieved academic success in a traditional setting. While students may continue to participate in their home school district's activities, at TLA alternative approaches to guidance, discipline, and academics are utilized to provide an individualized educational experience. Community support services, employment, and volunteer opportunities help our students accomplish realistic goals.

*Founder Mr. John Weiss, with Ed Cary, a returning student who graduated. Ed returned to TLA to make up credits while he worked full time!*
