## **Build a Palm Tree Instructions**

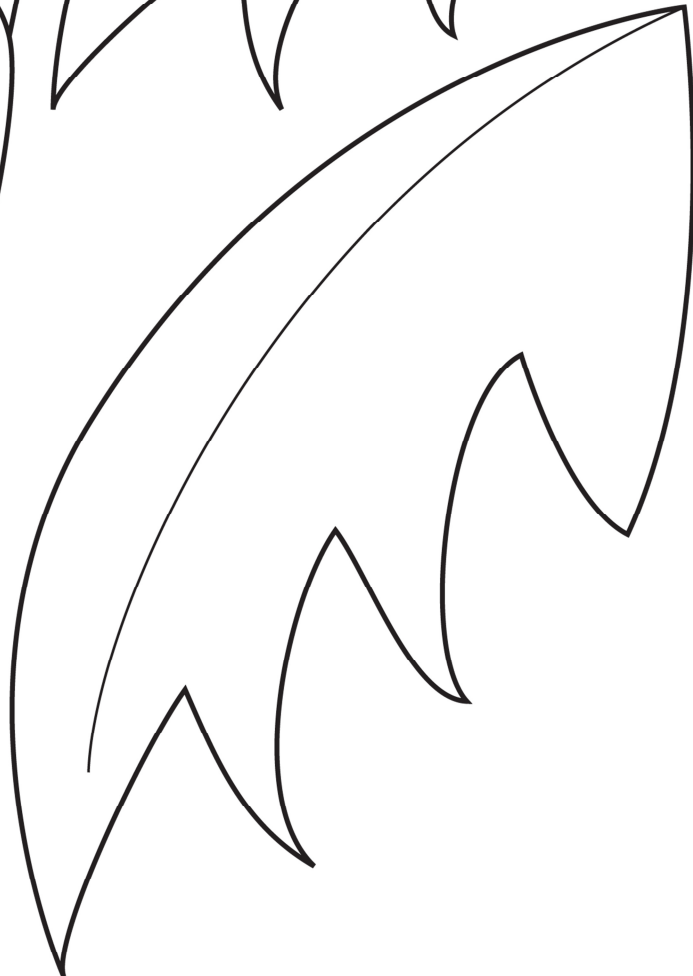

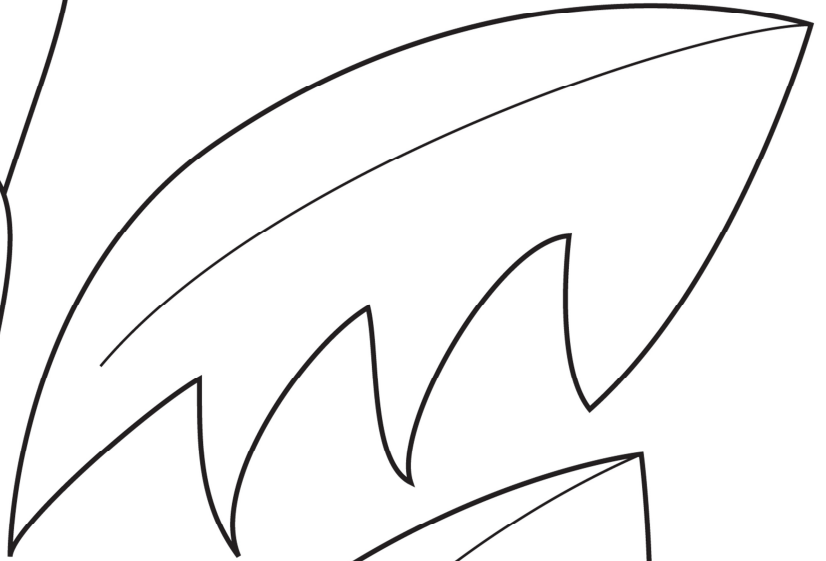

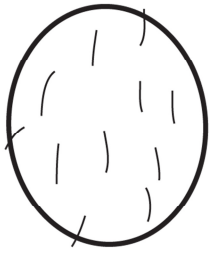

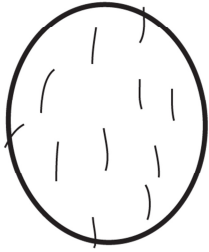

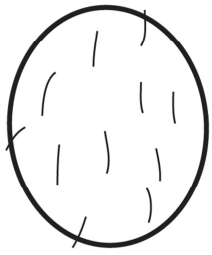

This activity can be assembled as a cookie sheet task, or completed as a cut and glue craft. To assemble as a cookie sheet task, use the following instructions.

1. Print and laminate the first four pages.
2. Cut out all of the palm tree pieces.
3. Place a small piece of magnetic tape on the back of each piece.
4. Provide the first page "Build a Palm Tree," as a guide.
5. Students will build a palm tree on an empty cookie sheet by arranging the pieces in the correct order.
6. There are extra leaves included in this set. You can include them to build an even bigger palm tree or remove them.

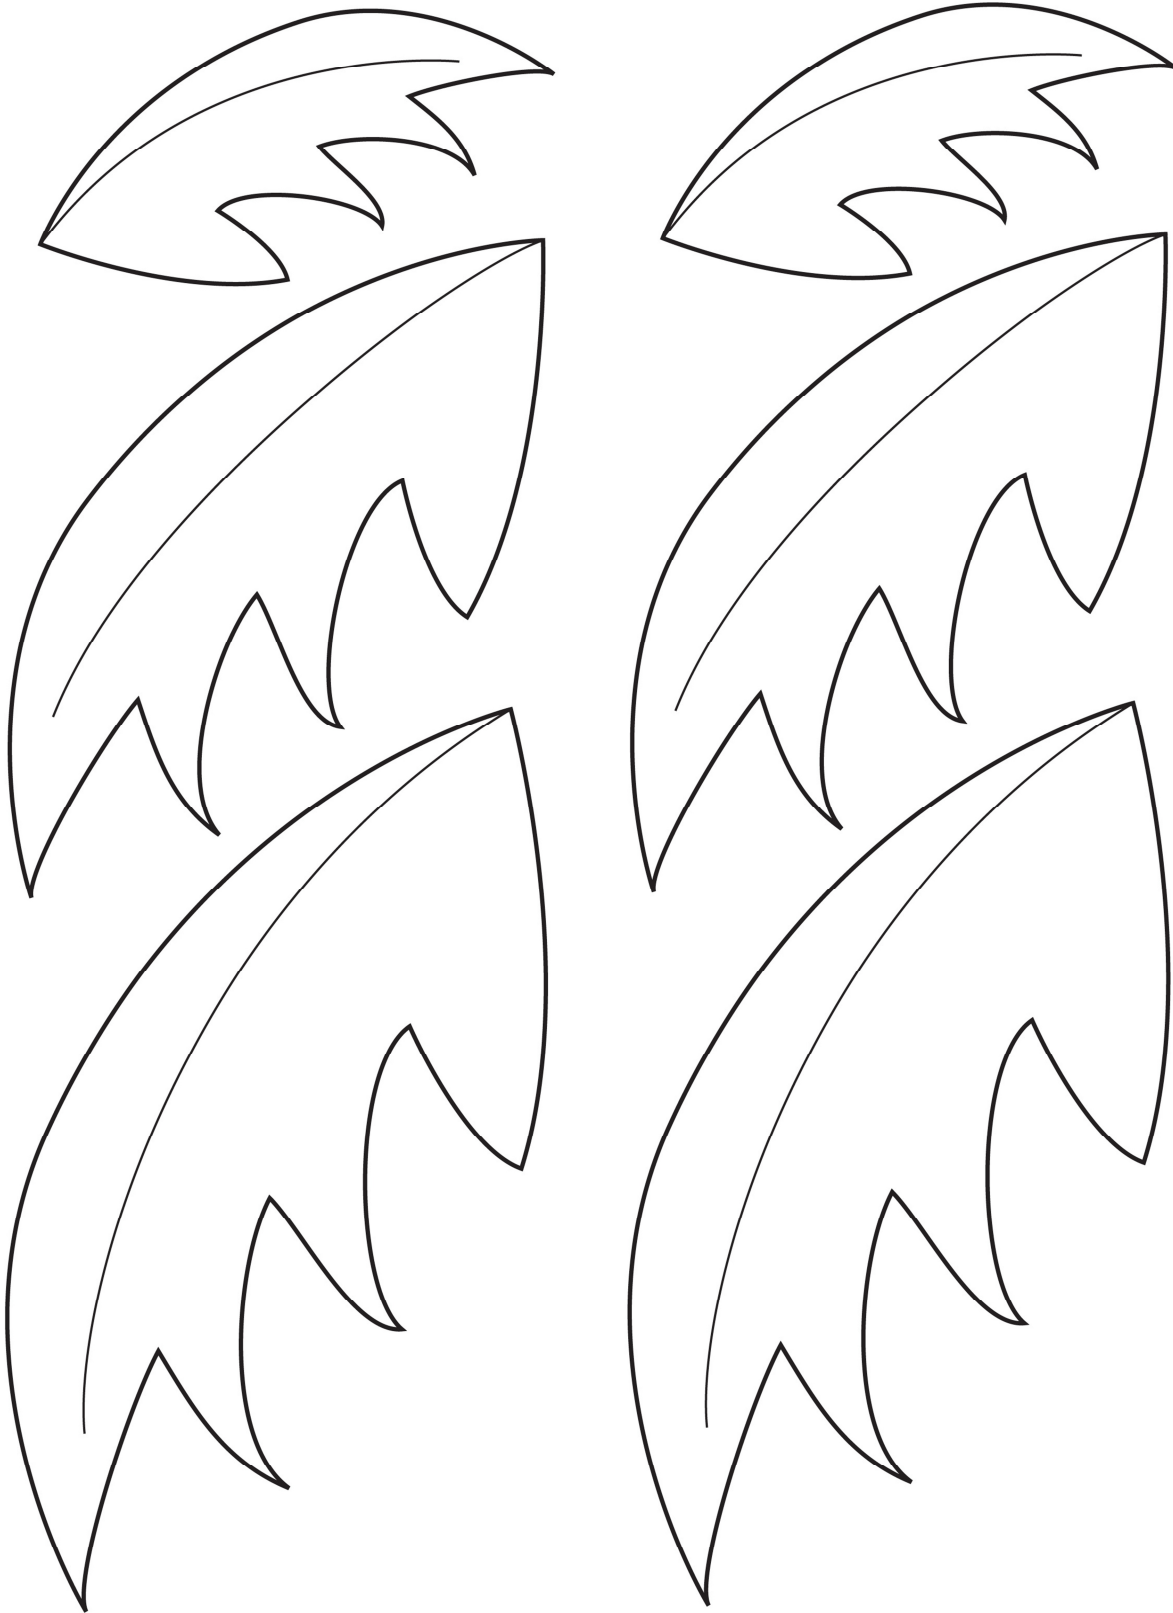

**\*\*Black and white pieces included for color, cut and glue activity**
