

Dear Local Business Owner,

Geauga Achieve is an educational program for children with special needs throughout Geauga County. Our program empowers young individuals, ages 3 to 22 years, with multiple disabilities through a supportive and integrated educational environment designed to ensure each student thrives to their best ability both in school and beyond.

Our spring auction event, our sole fundraiser for the year, will take place on June 5, 2020.

We hope you are able to take part in this exciting event by supporting our important program with a donation from your business. All donated items are auctioned off during the event and all proceeds raised directly benefits each student in the Geauga Achieve program.

Any donation is greatly appreciated and ideal items include gift certificates, gift baskets, and merchandise and services from your business of any value. Monetary gifts are also graciously accepted. To show our gratitude for your generosity, Geauga Achieve will publicly thank your organization in our donor program, in our newsletter, on our website, and in a slideshow, which prominently plays throughout the evening of the event.

By supporting our students through this fundraiser, you are also investing in the long-term future of these young individuals by helping our program provide them the skills needed to become successful and active members of our community. It will help us provide the technology and other curriculum materials needed to continue the enhancement of their learning environment. Funds raised will also help maintain their opportunities for community involvement by providing transportation to important life skills activities.
